## plants

This 5 year old garden boasts original plants from the original homeowner, now over 50yrs old, as well as a number of perennials, most of them rare or hard to find from the growers at UBC Botanical Gardens. The South facing hillside and expansive lawns form a heated micro-climate allowing for a number of sun-loving plants to flourish, including vegetables if you desire. Below are some of the plants you will find.

### TREES/SHRUBS

Red Fox Katsura Tree (*Cercidiphyllum japonicum* "Rotfuchs"), Coral Bark Japanese Maple ("Acer palmatum 'Sango-kaku'"), Desert King Fig Tree (*Ficus carica*), Ginkgo Biloba, Forest Pansy Redbud (*cercis canadensis* "Forest Pansy"), Lagerstroemia (*indica* light pink), New Zealand Pine Tree, Viburnum plicatum 'Mariesii', Oak Leaf Hydrangea (*Hydrangea quercifolia*), Holly Trees (mature male and female with berries), Black Lace, Magnolia Liliiflora, Magnolia sieboldii, Windmill Palm Trees (*Trachycarpus fortunei*), Grevillea, Yellow "ladybird" Magnolia, Dogwood (*cornus mas*), Weigela, Hydrangea aspera 'Macrophylla', Rhododendron: a number of oldershrubs in purple, pink, and red

### PERENNIALS

Helleborus Orientalis, Paeonia "Lactiflora", Paeonia "Krinkled White", Bleeding Heart (*dicentra spectabilis* alba), Clematis Recta "Velvet Night", Phyteuma Scheuchzeri, Columbine (*aquilegia vulgaris*), Deutzia Longifolia "Veitchii", Gillenia Trifoliata, Floribunda Rosa "Hot Cocoa", Acanthus Spinousus, Lily of the Valley, Rodgersia aesculifolia (*Rodgersia*), Hardy Geranium 'Wargrave Pink', Thalictrum Rochebruneanum, Sarcococca, Black Mondo Grass (*Ophiopogon planiscapus*), Wahlenbergia Matthewsii, Angel's Fishing Rod (*Dierama Dracomontanum*)

### BULBS

Anemone "Mr. Fokker", Anemone "Hollandia Poppy", Iris Xiphium "Golden Harvest", Iris Bulbous, Scilla Cilicica, Dahlia Pompon "Poppet", Snowdrops (*Galanthus*), Tulips, Crocus (*Crocus vernus*)
